

Financial Emergency?

MATC'S DREAMKEEPERS® PROGRAM

Are you experiencing a financial emergency that may force you to leave school?

**Is this a one-time unexpected situation?
Could a grant up to \$500 help to resolve it?**

MATC has several emergency assistance funds that can provide small grants for MATC students experiencing an unforeseen financial emergency. Grants are usually less than \$500 and there is a lifetime limit. Check the website for details.

Applications are made online at
